AJC EasyCabin®

Site welfare is easy.

Ecosmart

12

12ft mobile welfare unit range, with Ecosmart technology built in as standard. Available with 2 layout options and a variety of upgrades.

The Ecosmart 12 has running hot water, heating system, microwave & kettle. Canteen space for up to 8 people depending on layout, plus a toilet and drying room.

The Ecosmart 12 has a host of environmentally sensitive features, including PIR activated lighting that helps to cut down on energy use and running costs.

Each unit is fitted with stainless steel worktops, stainless steel sink & seamless high gloss wall surfaces for effortless cleaning and long durability.
